MEMORANDUM FOR: Dr. Brockway McMillan  
Director, NRO

Attached is a copy of my notes of the discussion we had yesterday morning. I think the notes accurately reflect our conversation although no attempt was made to discuss in detail the complications of the proposed organization arrangements for the CORONA project.

It is important that agreement be reached in memorandum form concerning the future before there is further disturbance of existing outstanding contracts and management responsibilities of the CIA.

I am prepared to meet at any time to agree upon such a memorandum and to subsequently discuss it with Secretary McNamara.

JOHN A. McCONE
